“ Condolences to the Duran family. Although I briefly talked to you everyday as you would pass my desk every morning, you had such a great sense of humor and always seemed to make me smile. I enjoyed our little chats that we did have and you will be greatly missed. May you rest in peace.

With Love,

“ I worked with Jeff at DeVry and was on his team. We used to work the late shift together on Thursday nights and had some great conversations.

He used to love listening to my quotes that I shared with teammates. His favorite was "The stronger the breeze, the tougher the trees". Rest well my friend, you are one tough tree. Go with God!

“ Hey Jeff, My acquaintance, who became my neighbor, who became my friend, who became my brother. This all happened in a very short time. None the less, I cherish all the moments. From watching our favorite TV shows, to playing hours and hours of games, to pumping iron at the gym. Even when I wasn't in the greatest mood you always seemed to find a way to make me laugh. To try to tell you how much I will miss you, it wouldn't even be possible. We always talked, even after I had moved. I am at a loss of words, which you know isn't like me. I love you my friend. You will always be in my thoughts. Love, Your friend, your brother, Eric Seldomridge To the family, I miss you all. I wish I could be there for the services. I love you all.
