September 18, 1967 - January 27, 2024

Jeffrey James Moore, age 56, of Green Oaks, died Saturday, January 27, 2024, at his home surrounded by those who loved him dearly. He was born September 18, 1967, in Evanston, IL to James and Jermayne (Fritzen) Moore.

Jeff was very athletic and enjoyed playing baseball throughout his Prospect High School career, even receiving a scholarship from LaCross University. He was also a graduate of Illinois State University. Jeff always encouraged his daughters with their hobbies and sports, and with his love of the game, found himself coaching their softball team.

Jeff had a huge heart filled with love for everyone and everything, especially his cats and dogs. He loved his friends and family deeply, always to be sure his mother was well taken care of. Jeff was a loving dad, caring son, fond brother, uncle, and friend to all. He will be missed immensely, it's hard to forget someone that gave so many memories to remember.

“ *There are so many great memories I have with Jeff, especially our Mt Prospect days and the time we shared a dorm room at UW LaCrosse. He will most certainly be missed a great deal by all who knew him. Sweet, (very) funny and generous are words I would use to describe Jeff. My deepest condolences go out to the entire family. I'm so glad that I was able to spend a good long time on the phone with him recently. We got caught up and spent most of the call laughing out loud, as usual I suppose.*
