“ I am sad that I can not attend his service. He was my principal at Oak Grove and I saw him many times at Mundelein Jewel when I worked there. There isn't a more genuine man I have ever met. He was an engaging interesting man to talk with and he always made me feel like he was truly happy to see me and talk with me. I am saddened that I won't be able to see him again. He is forever a part of most cherished memories in my childhood. His family was very fortunate to have had him in their lives.
