“ *For we are all as shooting stars in the night sky. I pray that you noticed my light.*

I didn't know Jess - I came across her story on an Instagram page. She sounds like a beautiful soul who left far too early. She certainly touched a great many people while she was here. I never knew her, but I miss her. Peace to all who love her.

“ *Jessy and I were in a few illustration classes together at SCAD for our undergrads. I couldn't believe it when I heard that she had passed away. She stands out in my memory as being sharp as a tack, funny, and an immensely talented artist.*

“ *My thoughts and prayers to the entire Scarpone family, and friends of Jessyca.*

Sam often talks about his children when we socialize, and his smile can be seen across the room when talking about Vic and Jess. My deepest condolences to all the family & friends.

“ I met Jessy while working at *The Runner's Edge* and reconnected with her after my husband and I bought a house in Savannah. I will miss her illustrations, her witty posts but mostly I'll miss seeing her running around town. Rest in peace sweet Jessy. You'll always be in our hearts.
