“ Hey Uncle Jimmie You always tried to be the Mr. hard core but when you got right down to it you were a pretty good push over when it came to the kids. I have some very fond memories of you and Aunt Judy at Pa & Ma's house out back fishing or just shooting guns. Man I loved that area behind there. Hey Mike take care and maybe on of these years we will get a chance to have a beer together and bring up some good memories. Take care Uncle Jimmie Love and will miss you.
