“ *I am so sorry for your family's loss. Mrs. Herbst was my 8th grade English teacher at Highland Middle School. I have some very fond and funny memories of her. I remember her blue eyes that could make you freeze in silence but I also remember her loud and raucous laugh. May she Rest In Peace.*

“ I am so sorry to hear about your loss. Jo was one of my teachers when I attended Highland and a dear colleague when I started teaching there. It is a gift when a student and teacher become colleagues. We had many good conversations about teaching and about life in Highland's teacher's lounge. I appreciated her frank insights and enjoyed her humor. Jo's influence as a teacher and as a colleague reaches well beyond Libertyville. My sincere condolences to you!

“ I had the privilege of teaching with Jo at Highland Middle School. We continued our friendship beyond retirement. We enjoyed the Lake County Camera Club together, as well. Please accept my sincere condolences. She will be missed by all who knew her.

“ My first year at Highland was one where the teachers' contact was unsettled at the start of the year. There was informational picketing in the morning and teachers were working only to the letter of the contract. Jo Herbst reached out to me to let me know that these things would pass and that she was looking forward to working with me. I have never forgotten that act of kindness. I'm sure that is just one example of the many ways that she went out of her way to help others.

My condolences go out to the family and friends of Jo Herbst.

“ Jo was one of the first people to welcome me to Highland my first year, 1985. She also was the person to introduce me to the Lake County Camera Club! Two of the many times Jo contributed to my career at D70! A lady we will all miss.
