“ Joann and Peter and their family have been close friends since the mid-70s. Their pain and her suffering has gone on for too many months. Joann is now finally at peace. May God help all of you now at this difficult time.

“ Dear Joann I will always remember that cute vivacious cheerleader @ Glenbrook north. John & I were with you @ those football games--John playing & you cheering our very first team. Later years I met you @ Parkway. OMG! This is Joann & later learned our kids were the same ages & Anne being a best of friends with our Margie & our son a friend of Rob's It never stopped----Joann & Peter & John & I celebrated the 50th anniversary of the first graduation class from Glenbrook. Our daughters married Chris & Joe good friends who lived across the street from one another.

I am so happy for this united friendship with the most lovely family. I am so happy Peter & I have these memories. We lost Joann but not her dear memories. I needed to tell this story as our families entwined & will continue to follow that vine. I send my sincere sympathy to Peter & his precious family. May God give you strength & light for the way.

Most sincerely Barb
