“ Aunt Joanne watched over me when I was first born. I was born premature and had underdeveloped lungs. My parents weren't able to come to Chicago and she was my guardian angel. I loved her dearly and she was a very special kind and loving person. I will miss her dearly. We are so sorry for your loss. We will keep you all in our prayers and thoughts.

“ Joanne was my neighbor at the Aquitania in Chicago. We worked together on the board at the building. Joanne wanted to sell some dolls that belonged to her mother and I helped her find information and bought a couple of the dolls. I really enjoyed talking with Joanne and miss her. I broke my leg just as she left the building and did not get to say goodbye. I hope her time in Wisconsin was good before her illness. She was a great lady and will be missed greatly.
