“ *It saddens me to hear this news. Most of my childhood~in fact all of my childhood memories include you. Every other weekend at your house was the best!!! To this day I still talk about watching Top Gun in your living room with surround sound blasting. And the many trips you brought me along with, and the car shows.... Theres so many wonderful childhood memories~thank you! My condolences to you Donna. I hope you find peace. And sending hugs to my dear long time childhood friend Shawna. I love you and miss you and will be thinking of you and your family while you go through this loss. RIP John.*
