“ We were all saddened to hear of Jack's passing. Over the years, it was a pleasure to get to know him and see the love he had for his family. It was always a pleasure to see and talk to he and Gere at one of the kid's functions. He will be sorely missed by all. Our thoughts and prayers are with your family.

“ I remember John well from the 1960's and he was always an honest, intelligent presence on the scene. I'm sorry for the terrible empty spot in your family now, and I'll pray for you today as you begin the long time of grief and healing. May he know God's peace.

“ I met Jack when he was on the Staff at Mundelein. Great guy. Warm, caring, and perceptive. I remember great conversations/arguments about whether or not the Catholic Church really offered anything (to a young man), in light of its (then) new rulings on birth control, its position on celibacy, and its autocratic ways. He always gave me something to think about, and was a great listener. I appreciated his guidance, as it helped me move forward into a new life. My condolences to Jack's family. May he rest in peace.

“ Gere, I'm so sorry that I didn't get your cousin's message until tonight (2/17). I would have been to see you Friday and I'm very sorry that I didn't make it. I don't wish to intrude, but I do want to help in any way I can, so please, please let me know if I can do anything for you or just come see you, which I would be so very glad to do. You're in my thoughts and prayers - that you will continue in strength and have peace and comfort in your loved ones and in the knowledge that you took such good care of Jack.
