“ I have not seen or talked to John for about 50+ years. I knew John when we both lived on the same block back in the 60's. John, Mickey, Joe, and Randy, and I hung out together for those teen years.
GREAT YEARS and GREAT TIMES!
I remember John as very athletic, smart, and fun to be around. I'm so happy to see what a wonderful life he made for himself and his family, I guess even back then I knew he would be a success in life.
I'm so sad to read of his medical problems.
My prayers are with him, he will be missed by many. I will always remember him and be thankful for the years we spent together.

So long old friend.
