

John B. Nader

June 23, 1950 - August 12, 2021

John B. Nader, 71, passed away on Thursday, August 12, 2021 at his home in Barrington, IL. He was born June 23, 1950 in Chicago and raised in Libertyville, IL. He was a former 30-year resident of Palatine, IL and lived in Barrington, IL for the past 20 years. John was the former owner of a gutter installation business and in his later years took great pride in working at estate sales throughout the Chicagoland area.

He loved flying, built and flew his own plane, and was a member of the Experimental Aircraft Association. John was an avid collector of antique glassware and cast iron pans, enjoyed nature, gardening and working outside, taking long drives, shooting pool with friends, and hunting for arrowheads and wild asparagus. He was a voracious reader on a variety of subjects and was passionate about sharing his knowledge in long conversations with many, most of all with his mother. John enjoyed taking his daughters on countless adventures, to flying lessons, airshows and auto races, just to name a few. He loved his family fiercely and made sure he and his girls spent lots of time in the "Naderhood" with their grandparents, aunts, uncles and cousins.

He is survived by his daughters, Heather (Nathan) Mathews and Cherylynne Nader; granddaughters, Adeline and Eloise Mathews; siblings, David (Kathy) Nader, Peter (Ruth) Nader, Mary (Michael) Hoaglin and Gregg (Patty) Nader; and many nieces and nephews.

He was preceded in death by his parents, Burl and Rella Jean Nader; brother, James Nader; nephew, Jeffery Nader; and his beloved canine companion of

17 years, Ernie.

“ *The Gragg, Stengel, Hulbert, Avedon Families send our condolences. We all have fond memories of "Johnny". Jan remembers how he and wife would come out to Colorado and go camping. They would have lots of "long conversations" which Jan remembers fondly. He will be missed. Prayers to all.* ”

“ *I completely forgot about the wild asparagus until I read the obituary. He shared some with us just after we moved in and it reminded me of my childhood. I hadn't had asparagus that tasted so sweet in so long.* ”

“ *We too will miss seeing John around the neighborhood. He was a wonderful, friendly, energetic, passionate person. I used to love running into John at the local estate sales. He taught us all about cast iron pans :)* ”

“ Erik and I will miss John and his black sports car driving down our street. John always stopped to chat or waved if he were in a hurry. His efforts to make friends with our shy dog Olaf were unfortunately unsuccessful. We were fond of him and will miss him.

“ Uncle John...I love you. I remember the days when it would get cold near Christmas time, and you would tell stories that went on forever and we all just loved them. We would sit by the fire and crack nuts and eat them while you talked. And we just listened. Forever in my heart. Take care of my dad, and say hi to him for me. Love Kinzie
