“ Over the span of twenty years, I worked alongside Jack on quite a few projects. In all things, his enthusiasm, vitality and vision were inspirational and unmatched. He is already missed. With his passing, the mold has been broken.

“ Dear Therese and Eileen, just reading of Jack's passing and send my sincerest condolences. I loved meeting and working with Jack (the manager) on dear Bob Gleeson's campaign for trustee. I always delighted in our chats - as infrequent as they became when I worked and he moved. Godspeed and care for you all.
