“ I didn't know Alonso very long. I only knew him for about 4 years. He was one of the greatest kids that i knew. He was always respectful and in a good mood. Alonzo made a impact on me and my family. He was one of my brothers best friends. They did everything together. My brother loved his moms cooking and Alonso loved my moms cooking. He will be missed A LOT but he will never be forgotten. We love you Alonso. My prayers and strength go out to his family.
