“ Dear Lynn, Joe and Joann,

*I was so saddened to hear of Joe's passing. This must be such a hard time for each of you. I know you supported Joe with so much love through his challenges these last years.*

*I remember having dinner at your home a decade ago and how Joe was teaching the kids in great detail about a topic of interest. They were both such engaged, respectful learners ...not at all like many adolescents. I could see the love and reverent atmosphere in your home. Thinking of each of you as you say good-bye.*
