“ I'll always remember his smile.... his easy way of speaking...and making the complicated simple... How much he loved tending to his family...and what an extraordinary Dad/husband he was.... He clearly gave his all to his family.... A gentle soul who was a lifechanger, just by meeting him... talking to him.... He clearly made this world a better place; and we are lucky that we got to know him/talk to him....He/his family welcomed my family into theirs; They were/are all so generous with themselves at holidays....This is a terrible loss; my world will never be the same...

“ So very, very sorry to hear of Joes passing. We will miss seeing him in the neighborhood, especially trick-or-treating on Halloween or out in the yard with the kids. He will be sorely missed. Our deepest condolences to the entire Head family. We send our thoughts and prayers to all of you.?
