“ •God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "Come to Me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.

“ Dear Joanne, Jason and Brian, and the entire Lowry Family:I want to express my deepest sympathies for your loss. Joe ("Mr. Lowry to me") was a great guy and dad. I admired his commitment to his wonderful family, and the passion he had for his hobbies and interests. He was a true Rock 'n Roller. He will be greatly missed.I wish I could be there in person to see you all in person.Sincerely,Jason Peterson and family (Kimberly, Owen, Daniel and Charlotte)

“ Joe was one of the good guys. His love and pride of JoAnn, Jason and Brian was evident in everything he did. I love my brother and will miss him every day, but I thank him for giving us JoAnn, Jason and Brian. They were Joe's strength when he needed to get through the pain. One more star was added to the sky the night of April 4th with the angels and Mom greeting Joe with Elvis songs and a jokebook

“ I had the privilege of working with Joe when he performed last year at the Antioch/Lakes Area Relay For Life. Joe was passionate about his performance, and was an absolute pleasure to work with. I deeply regret that our working relationship was so brief, and was looking forward to him returning to Relay this year. Joe will be remembered onstage with a Luminaria in his memory. My thoughts and prayers are with Joe's family, friends and loved ones - may you be comforted in the knowledge that Joe's life touched more people than you may ever know about.
