“ Deepest sympathies to the Pierce family. I was so sorry to hear about Josh's diagnosis and recent passing. I have fond memories of him from Bowling Green, and feel lucky to have known him. He was always nice, funny, well dressed and just a good guy. Jodi, I am thinking of you especially during this difficult time.

“ While I didn't know Joshua, my mom battled with frontal lobe dementia also, and lost her battle 16 years ago. My heart goes out to the family, especially his daughters as I know what a devastating loss you are handling now. Think of the good times you had with him, and know that he is at peace.
