“ We were blessed to be Judy's across the street neighbors for 5 years, so many memories and good times we spent with her, I especially loved backing out of our garage on my way to work and Judy would be standing in her front window to wave me a good day! And walking across to her house and tapping on her window, she would always welcome me inside, even when I knew her back would be hurting, and when Lynee would come visit we would have the most fun tri-tip bbqs, we'll always miss her but I have faith that she's out on her and Mike's boat with Haley soaking up the sun! Until we meet again sweetheart! Love from Mo and Frank!☐
