“ The years we spent in St. Croix as neighbors, were the most joyous and memorable times we will always cherish with Julie, Morris and Tammy. Ah, those wonderful evenings we spent at their home dining on Julie's wonderful dinner's followed by her infamous ice box pies. She was truly our St. Croix sister who we will miss with all our hearts. We will always remember her infectious smile and laughter. She had a class about her that always made you feel welcome. Our prayers go out to the Kraut family members.
