“ We were so very saddened upon learning of Julie's death! She was such a wonderful friend & long time neighbor... Katy, Dave & Geordie were the only kids in the neighborhood when we moved to Countryside. Great memories of the beach & Halloween trick or treating (haunted house) & the occasional fresh veggies at our front door. So many fond memories of a beautiful, smart, energetic & fun lady. LMy heart breaks to think that I won't see her at the beach or Target for a quick conversation. Our thoughts & love to her family.
