“ My sincerest condolences on the loss of Julie. I was at her first birthday celebration and remember a sweet little girl. Bob, I finally had the pleasure of meeting you a few years ago at lunch at Sally's and remember spending a delightful afternoon with you and Julie that day. May our Lord bless you with peace and comfort at this difficult time. God bless you.

“ My sincere condolences go out to Julie's family and friends. I never met Bob, last time I spoke to Julie she was pregnant with her first child (wondering what to do with her Boa Constrictor)! After several moves across the states, we lost touch. I've been searching for Julie and her mom, Sally, for decades. Her family took me in as one of their own. I shared a bedroom with Julie as we shared that time of our lives. I'll never forget her humor, the depth of her loving kindness and her love for animals. Julie may God keep you and your family. Love never Fails. Always in my heart.

“ Dear Childhood Friend, You have never been forgotten. Many memories of games and neighborhood kids that made growing up what it was in a small town. My heart goes out to the Graham Family and to Bob and Julie's children, whom I have never met. You had many more years of her life than I did, you were so lucky. Please know that the Bandelier Family is thinking of you in this sad time.
