“ Karen was such a joy to know. I met her 30 plus years ago working at a facility together taking care of patients. We had so much fun. She had a great sense of humor and was such a wonderful nurse. She brought so much humor and caring to patients and staff. She was a bright light with a smile on her face. We loved to hear the stories of her dogs who were her children. Always a heart of gold. There is nothing she wouldn't do for you. And I will always remember her annual Turkey Feasts. So much fun. She was a wonderful cook as well. I will miss this girl. This one hurts. And her wonderful husband Tony, such a great guy. I will cherish the memories at Summerfeast in Vernon Hills. When you think of Karen it will always put a smile on your face. That is her legacy. To her family my prayers are with you. It was an honor to know her. Linda Porras
