“ *My husband John, father Joe Baer and I send you our deepest sympathy on Kathy's passing. I will remember her smile and the twinkle in her eyes - she always looked like she was ready to laugh.*

I so respect and admire how all of you took such good care of Kathy as she traveled through the last years of her life - living with such an insidious disease. She was loved and cared for and I hope her being at peace brings you comfort. I also hope that the memories of wonderful, happy, family times with her bring you smiles.

I told Chris, that I had a vision of Kathy & Dennis together in heaven. It made me smile.

*Much love,
Mary, John & Joe*

“ *I remember many visits to see Aunt Kathy as a child. Miles may have kept our families apart physically but never from the heart. Sending deepest sympathies to all her children, grandchildren & great-grandchildren. She was a beautiful loving soul.*

“ Aunt Kathy was

A truly kind, gracious woman, with a big heart. She loved sharing holidays and special events with all the extended family of grandparents, aunts, uncles, nieces, nephews & cousins. She was always ready to greet you with a warm smile and a genuine "happy to see you". She will be remembered for her many good qualities forever.

Although she did have one very special talent which was uniquely hers and deserves to be mentioned.

Her signature contribution to every holiday meal was the most beautiful, perfectly formed seven layer jello mold you've ever seen. It took vision and the skills of an artist to create this masterpiece ! The fine multi colored layers of jello, only 1/4 inch thick were stacked on top of each other. There were no dips, no curves, no nicks. The colors coordinated with the holiday being celebrated and were assembled with perfect precision. Truly a delicious delightful sight to behold ! And a tradition to see on every holiday table.

Over the years when it became too difficult for Kathy to do, others have tried to duplicate her signature seven layer masterpiece. No one ever has. No one has come close, and likely never will.

We love you Aunt Kathy and we will miss you.
