“ We were so saddened by your dad's death but we know he is much happier now that he's reunited with Anne again .We shared many wonderful memories with them over these many, many years. They were both so warm and welcoming to me when I joined this family and I loved them the more for it. We're sorry we couldn't make the funeral but the quality time we have shared with Ken will remind us always of what a wonderful husband, father, grandfather and friend he was . Our deepest sympathy to all the family for your loss once again---and way too soon. We love you, Jane and Charlie
