“ My sincere condolences to all the family. I introduced myself to Kevin early on, when I started at Uline 2 years ago, since I knew his 2 sisters Nan and Peg from Crate and Barrel. I was struck by what a sincerely nice man he was and enjoyed our conversations. He had a zest and positive energy about him that put a smile on your face. He will be missed!!

“ I have worked with Kevin for almost 15 yrs. In 2006 I lost lot of weight and he asked me how I did it .. I started to tell him walking and portion control.. he laughed his big laugh and said " OH NO NOT portion control" I am doomed.. and we laughed about that a lot there after. I will miss his funny stories and caring and that Big Laugh of his. My Prayers and thoughts are with you all. Robin

*“ I only had the pleasure of being in Kevin's actual presence twice, but there have been several years that we talked on the phone weekly. While I didn't work at Uline, I worked for them and Kevin always made me feel like part of the team. He was funny, sharp, generous and a great judge of people. I truly looked forward to our calls, I'll miss them.*

“ M'Lou, We don't have the words to truly describe our sorrow and feeling of loss. We have all been friend for a very long time and even though we got together fewer and fewer times as the years went by we could always just pick up as if it were just yesterday. Being with Kevin at the reunion is how I choose to remember him. Our sincere condolences to you and the entire McEneely clan.

“ I remember Kevin fondly from our days at Ambrose. Only saw him once since then but it seems he was still the same great guy. One little story...I'm pretty sure he was in a group that went to that famous Cubs opening game of 1969. We were 6 lucky kids who went to the game without tickets but were handed 6 free ones, seats 10 rows up from Mr. Cub, just as we were about to head back to the burbs to watch on TV. I am so very sorry for your loss. Ellen Shapley

Ellen Shapley told me about Kevin. I am on my way to my 50th Assumption reunion next week. I just retired from the Massachusetts College of Art & Design. If you are ever near Boston please contact me & we can talk art, M'lou. Making art now might be soothing. May Kevin rest in peace. He was a love.
