“ WShirley, Betty and I are so sorry for your loss. We will always remember how kind you both were to us when my car broke down. Lou even gave me my first coaching job at Skokie Valley FSC back in 1973. I finally retired after teaching for 50 years. You and Lou were a huge part of that. I am so blessed to have known you both. Let light perpetual shine upon him, and know that Betty and I are praying for you and yours.

*Dear Shirley and Family,
I am so sorry for your loss. Lou will definitely be missed. He was a pillar not only to you but from my perspective to the skating community both near and far. His support of you, Shirley, as much as you traveled so often from rink to rink was undeniable and so much appreciated by innumerable people in the skating world. I will remember Lou for his steady gentleness and firmness in interactions and not only his smile but the twinkle in his eyes! I thank God for you and Lou and lift you up in prayer,
