“ Sznitko Family Please accept my heartfelt sympathies for your loss. My thought and prayers are with you. Lester and I were both born in Germany after the war. We were sons of immigrants and immigrants ourselves sharing that as a special bond. We met when we were 9 years old. He was one month older than I was and we have been friends since then. Those we love and care about can never be more than a thought away. As long as there is a memory they live in our hearts. I will hold him in my memory and sadly now we can only meet in my dreams. Old Friend May You Rest in Peace.

I know that John and I will miss him very much. I will always carry loving memories of him in that place in my heart where those who are precious and who have gone, dwell.
