

Linda L. Berry

October 2, 1970 - September 12, 2024

Linda (Norling-Christensen) Berry passed away on September 12, at the age of 53, after a long and courageous battle with illness.

She grew up in Libertyville, Illinois and graduated from Libertyville High School. She married and had two children, Stephanie and Brayden Fritzshall before moving to Florida. She ultimately met the love of her life and married her second husband, Brian Berry, and moved back to Illinois where she had two children, Rylan and Branson Berry.

Despite the challenges she faced, Linda never lost sight of what truly mattered to her - her family. She continued to be a loving and devoted mother to her two younger sons, Rylan and Branson, and a source of comfort and support for her loved ones. Her bravery in the face of devastating illness will forever be remembered by all who had the privilege of knowing her.

In her final days, Linda was surrounded by her family, who provided her with love, care, and support. Her memory will live on in the hearts of those she touched, and her legacy of strength and love will continue to inspire us all.

She is survived by her husband of 18 years, Brian Berry, as well as her four children: Stephanie Fritzshall, Brayden Fritzshall, Rylan Berry, and Branson Berry; her siblings, Susan (John) Coleman, Stephen (Mary) Norling-Christensen, Lisa Norling-Christensen, and David (Valerie) Norling-Christensen; her nieces and nephews; and a host of other relatives and friends who will miss her dearly.

A graveside service will be held on Saturday, September 21 at 10am at

Memorial Park Cemetery in Skokie. Arrangements by Burnett-Dane Funeral Home in Libertyville, IL.

Linda was an organ donor. In honor of Linda's commitment to organ donation, the family kindly requests that donations be made to Donate Life America, an organization dedicated to promoting organ, eye, and tissue donation.

“ Brian, in the short amount of years I was lucky enough to have you and Linda directly in my life to physically spend time together was impactful enough to create a lifelong bond. You both mean a lot to me, and even though you moved far away, you were both close in my heart. You are a forever friend. I'm so glad you had children together, especially now for your life going forward. If you ever need a friend to talk, I am always just a phone call or text away. I will never forget Linda. She told me when she met you, she knew she had to make you hers and didn't want to let you get by her. I will never forget her smile, and her beautiful eyes like you said. I pray for strength for you to continue with her love forever in your family's hearts. She will be a part of you forever. With love, Jen ❤️

“ Words can never express how heart broken I am for you and your boys. I first held her in my arms when she was 3 days old. I will never forget her beautiful eyes. I promised Chris her dad that I would keep in touch. Whenever I called her she never complained. Even though I could hear in her voice how weak she was. I knew she was having a difficult time. However you were always there for her through this difficult journey. She was blessed to have you. You were a constant in her life. I hope that as time passes on you and the kids will will remember the good times. I know more than anything she would want all of you to be happy. I am so very sorry.
