“ I am so lucky to have shared so much with Linda. We worked together for so many years in so many different roles. Started out in the ER 3-11 in the 70s. Not a day went by that Linda didnt bring laughter into the worst possible circumstances. I owe much that I am today to Linda.

“ I am so upset to hear of Linda's passing, she was a great nurse and supervisor. A great but dry sense of humor. A look and her rolling her eyes at some weird happenings at the hospital on P.M. shifts were priceless. Linda and Anna kept us going and provided support for all concerns we had. Bea followed up for a spirited night shift crew. Great and some no so great times at Condell. Linda and the crew are always close to my heart.
