“ Every time we came into Dr. Munson's office, we were greeted by his wonderful nurse, Linda. She was , the best nurse ever! She was a warm, funny, down to earth lady who always made you feel better about things despite any adverse situation. She glowed when she spoke of her family, and so loved being a grandma! Our thoughts and prayers go out to her family and friends. Rest in peace, dear Linda.

“ So sorry for your loss. I've known Linda since she started working for Dr Munson. She was always there for every question and recommendation. Our hole family enjoyed her. My Mom is the cookie lady at Christmas time. She would take special care to get her homemade cookies over to the staff each holiday. Linda sent a beautiful thank you note to her this year and she appreciated it so much. May God bless her. She is in good company,my Dad is up there teasing her now.
