“ *My sincere condolences to the entire Seidler family. Linda and I worked closely together for many years at Walgreens and stayed friends after we both left the company. She was always there for me with a kind word and a smile. She will truly be missed.*

“ I met Linda in riding club(big surprise...) when we were in high school. Her laugh was so infectious and made everything appear so hilarious all the time. We became fast friends and experienced so much of life together. She was an integral part of my family. My mother considered her as a daughter and I loved her as a sister. Linda was one of the kindest most compassionate individuals I've ever known. When I remember Linda I see her engaging smile, hear her contagious laugh and know she will always remain in my heart surrounded by love. So my dear friend, I wish you happy trails until we meet again.....

“ *Linda was one of my best friends in high school and remained a dear friend since then. We shared so many fun and crazy times together as well as not so fun times. She was endeared by my family as well and shared many life events with them. Her laugh was infectious and would always get everyone else in the room to laugh. I did not see Linda that much after I moved to Arizona, but she always kept in touch. She was kind, generous, funny and an animal lover (especially horses), but above all she was my friend. She will be so missed, but will always be in my heart.*

“ *Linda and I have been good friends for many years and I have so many memories of our times together. She was always part of our family get togethers, she liked to give my sons some grief and they loved teasing her back. We have been through a lot of great times and have been there for each other during trying moments in our lives. I will miss my friend. Sending her family and her friends my love and prayers. ❤️*
