“ Remembering my friend Louise Tischendorf . . .
When two mothers watch their children fall in love, marry, and begin a new life together, the journey feels like a river winding towards the sea . . . and when that first grandchild is born, the sea dances with laughing waves.
Through the years, they become family together - sharing sorrows and joys - birthday parties and school concerts, Halloween costumes and Christmas tree lightings - celebrating the best of beautiful lives that splash in and out of two different circles of life. But now, too soon for those who loved her, this dear friend of mine, has left us to find a heavenly home to rest in. I am grateful to have shared time and family with her - I will miss her smile, her hugs, and her kind and loving spirit - always ready to listen.
Praying for peace for all who loved her.

“ We are so blessed to have had Louise as part of our family. She was warmhearted and generous to all. Her family meant the world to her! That gal was one wild quilting queen! She always seemed to be working on multiple projects. Louise will be missed by many.

“ So sorry for your loss. I meet your mom at quilt camp in Iowa, at Country Threads. I loved her infectious smile. Over the years we have connect on quilt cruise. She was a so fertility woman. I'll keep your dad and family in my prayers for the days ahead of you.

“ My husband and I met Louise and Brian at their daughter, Lindsey's, college graduation. In 2006 our son, Greg, and Lindsey married and we shared many family get togethers over the years. Sharing grandkids with them was always a pleasure. I will miss her dearly and send love to her beautiful family.

“ Louise & Brian were the first people we met, actually on the shuttle from the airport to the hotel, a year ago for a cruise on the Mississippi. Although it was short, we shared some good times. Our sincere condolences for the loss of a lovely person. May the love and laughter she created live on forever in your hearts.

I have had the honor of teaching with Louise and Brian's daughter Lindsey this year. Although I do not know Louise or Brian, I have enjoyed being around the wonderful girl they raised so know they must have been wonderful too. May the family find peace and comfort.

“ Louise was a ray of sunshine. She had a beautiful smile and a great sense of humor. She was often on the deck of her Friess Lake home or in an Adirondack chair reading and enjoying the lake view. She was judicious about entering the water. She made it in every year but didn't feel compelled to "overdo" it. Several years ago, we had a hot spell and we found Louise and Brian floating on tubes in the water. We joined them and in that perfect moment, worked out all the problems in the Universe. We were all in a perfect place, enjoying a perfect moment. We will miss Louise! Jeanne Schroeder and Chuck Lodi
