“ I'm so sorry to hear of Lyle's passing. Growing up in a small neighborhood with the Petersen family I can attest to the fact that Lyle knew how to make breakfast! Anytime I had a sleepover with Karen, Lyle would make us a big breakfast on Saturday morning. His scrambled eggs were the best! I asked what his secret was and he told me it was cream cheese. To this day I make my scrambled eggs with a dollop of cream cheese and refer to them as the Lyle Petersen special. To Ellen, Eric, Craig, Karen and Beth, you are all in my prayers.
