“ Donna, Found Maggie's obit today surfing the internet.Lot's of memories of Dick , Maggie and Rollie from Niles, East Prairie and Lake Forest. All good.Without Dick I don't think we'd have had as many reunions, and occasional lunches at Hackney's as we moved away from our graduation in 1945. He kept our class informed with his "NileHilite" rejuvenation.Maggie and I always had fun talking about our days at Lake Forest. We kept in touch for several years after Dick passed, but I hadn't heard from her for about 3 years.Hope you are doing Okay.Russ Skalleruprearlsk@cablelynx.com
