“ *I am so sorry to hear about Your mom. She was such a big part of my life. Bob and I are glad that we got to visit your mom a couple years ago at her home. Of course she was the greatest hostess, she fed us a beautiful lunch. We had a great time catching up with her.*

Your parents and mine were very good friends and had so many good times. It is a treasure to have such friendships.

I know that you will miss her so much. I hope you remember the happy times and smile.
