“ *Mrs. Hale played a large part in my life from the age of 10 thru high school. She got me started on two hobbies, sewing and knitting. She was always encouraging and extremely helpful during that time when I was young and learning my crafts. Always kind in showing me mistakes and helping me to correct them without making me feel like a failure. At that age it helped me to gain confidence. Plus I was good friends with her oldest daughter Pat.*
Thank you for your teachings, kindness and just being there.

“ *I absolutely loved your mom! She was my first boss at Hale's Fabric Shop in the early 60's. She was an inspiration to me and many others. I will always remember her fondly and be thankful for the many things she taught me. She was a great lady and role model.*

“ Peg had an immense impact on my life. She gave me my first job, in which she showed me her faith in my abilities by giving me responsibilities most 16-year-old girls don't deserve. Later, when I moved into the house next door to her on Garfield Avenue, Peg taught me how to compost and tend my garden. She shared her love and her family with me, and she will always hold a special place in my heart.

May God bless Peg with everlasting peace and joy, and may He bless her family with devout acceptance of this great loss.
