“ TO YOU MY DARLING Marilyn,

I am just a distant friend, but at the knees I bend knowing life has an end and God called your name for your time has come, you can no longer stay. Here's how your story goes when you reach heavens door, a spirt standing at the door to meet and greet and show you where to go. Just when you thought your life was done, a new one has begun. Yes, you leave your loving husband and Children behind, but now you will see them all the time, continue to walk with them by your side. Yes, you know their love for you runs deep in their soul, they will miss you so, and your loving words they will never let go.

I see you found your way, a new responsibility that would you dare, to see colors you never knew existed, but you persisted, your eyes so glories, they shine like the stars in the sky, now you will see them all the time.

Looks like you got your wings, I see you standing so tall, your wingspan spreads 10ft wide, wow that's double your size. There you are ready for first flight, ready for take off, so out of sight! , fly the heavens with all of Gods creatures, enjoy the sound as the music plays, for now you know you are there to stay. With that said, with my deepest love I will forget you not, so I say goodbye, goodbye, I'll see you on the other side!

*Loving you always and forever,
Gladys Shabshab*
