“ My Gramma was a all about her family and friends. The little ones always put a smile on her face. She had a big heart and cherished the times when family visited her at the lake. She loved a good party too as it was 4:00 somewhere. So here's to you Gramma as we lift up our glasses in honor of you. Thanks for all the great memories and I will miss you so much....., Jeffery

“ We love all the memorable moments with "Gramma Much" (as Christopher called her when he was learning to talk) at Crooked Lake. She always did wonderful things for the Stech-Stehman family next door. Marge always had a Hot Wheels car for Chris' collection. She was my 'second' mother and I could talk to her about anything...Chris and I will miss you 'Gramma Much'!!! Love you lots!

“ *I worked with Marjorie for many years at Morton High School. What a funny and lovely woman. She was a month younger than my mom and I always thought of her as a second mother. My deepest sympathy.* Diane Minarik
