“ Dear Mar, this is Mar...there are so many things I can write here because we have shared so many long conversations about so many things, things that only WE would understand! But the day you fell at the Senior Center and smashed your head into the floor and I came to your side to calm you down and you begged me to go with you to the hospital because you were so afraid to be alone is the day we really became soul-sisters. You will be missed, but I will see you again in Heaven, so wait for me there...

“ MaryAnn was a sweet, kind, compassionate, nonjudgemental friend. we spent this past xmas and her birthday together and she was a wonderful companion to go out to eat together. We spent a lot of time on the phone, discussing our lives and god. Will miss her a lot.
