“ Mary Fran was a wonderful teacher to my children. Our friendship was kindled when I joined the Senior exercise class. I loved her wry sense of humor and she dazzled all of us with her strength and agility all through her 80's. I will miss her and I won't be alone.

“ Mary Fran was a very special lady. Her warm smile and friendly spirit will be missed by many. Besides being a teacher, I know she was a United flight attendant before her marriage to Wally, and she shared her memories of those times with me when she found out I had the same job. She even gave me her old uniform, hat and wings to donate to the historical United collection. I send my heartfelt thoughts to all in her family.

“ Dear Barb and family,
Please know that you are in my thoughts and prayers at this time. My memories of your Mom are of a caring and spunky teacher at Rockland School. Just think how many lives she touched with her special talents.
I did not have the pleasure of knowing your sister but my sincere sympathy goes out to you for Deborah as well as for your Mom. May you have peace in the coming days.

My deepest sympathy,
Sally Stoll
