“ Dear Tom & Family, It's difficult to find the words to express how sorry I am for your loss. My mother and I were looking forward to getting together with Maryann for lunch. It seems the last several weeks were happy ones for her, going to concerts and enjoying being a grandma. I have fond memories of our childhood as cousins . . . Sunday visits and jumping on beds and tearing our dresses! Uncle George and Aunt Louise were my Godparents and my dad was "Cookie's" Godfather. I pray that your love and memories of Maryann bring comfort to you through this difficult time. Suzi Dietz

“ Dear Tom, I was so saddened to read of your wife's passing. I wished I could have attended the LHS party and spoke with you two weeks ago. When my husband passed 2 years ago, your card was the first I received and it meant so much to know old high school friends were thinking of me. May you find peace and comfort and hold your children and grandchild close. Your old high school friends are praying for you all. Maryanne Wiles Golden, Class of '64 LHS

“ We all have many fond memories of "Cookie" as she loved to be called by all her friends. As the story goes, as a very young child loved cookies so much, people started this lifelong nickname. Most of the girls in our group were unique but due to our similar backgrounds were content to grow up and live pretty conventional lifestyles. Cookie was unusually smart. Probably brighter than most of us. Even my parents recognized this right away. She could be quiet and pensive but you sensed her mind was racing with new ideas. Although I hadn't seen her in many years, a chance encounter in a fabric store brought back so many happy memories for both of us. For those few minutes we were young again and innocent and giggling. She had a way. I know the best of her will live on in her children and grandchildren.
