“ While I was working in 2018, I decided to look up some old co-workers from McKesson, and that's when I found out.

I remember fondly working with Matt at McKesson during the overnight shift. That was hardly the greatest time in my life, but Matt tried many times to at least make me smile.

“ The strangest thing. I've been thinking about Matt for a couple of weeks now and decided to look up his name just now. I am in disbelief. I shared some of the best times of my life with Matt when I was younger. He was a great love of mine. I learned a lot from him. It was a privilege being his girlfriend. My prayers, love and respect go to the Myers family and his friends in such a difficult time. My God Bless you all.

“ Dear Jerry and Annie, mere words cannot express the heartfelt sadness I feel for you at this most difficult time. My thoughts and prayers have been with you each day once I heard the news of Matt's death. Know that I will continue to pray for you that the Lord will comfort your hearts and bring all good memories to you. Only Jesus can help in times like these. Included in this message are Sue, Mike and other family members. The love goes way back to when Helen joined me as coworker in 1968 and so many memories came after for so many years. You are all special! God bless you. With love, prayers and condolences, Joyce (Johnson)
