“ I am sorry for your loss. Mike was a super positive influence on my life. He recently moved to Colorado (where I live), so it has been fabulous to get to see him regularly. He lives his life as he wanted and loved every minute of it. We already miss him. The world changed forever on 2-18-13.

“ My heart goes out to every member of the Family as I know how much they loved their little brother Mikey. I knew him for fifteen years and he was a generous, loyal, fun and full of life individual. He made best friends wherever he went and whether you knew him for five minutes or fifty years - you LOVED that man. The mountains opened their arms and wanted all of him. I miss my Mikey more than words can say.

“ Although I haven't seen Mike in years this just broke my heart. Just about every memory I have as a kid running around my back and your back yard, the park, the culda sac in the "Sari" had Mike in it. We played 6 million dollar man and lady, jumping off the electrical box. He was a dear friend to me and I will remember him fondly forever. Prayers to the family!!
