“ *To the Moravetz Family,
I want to extend my deepest sympathy as I am truly sorry for your loss. There are no words that I can say or write that will ease the hurt you feel but it is important that you know I am thinking of all of you.*

I spent only a few months working with Mr. Moore but in that time I developed a great respect for him not only as a successful businessman but as father and family man.

I liked Mr. Moore very much and regret that I only got work with him for a few months.

*Sincerely,
John Petrakis*

“ *My thoughts and prayers are with the Moravectz Family during this
difficult time. I will miss my talks with Michael and how they more
often than not led to "life" lessons as if I was his son and he was
guiding me in the right direction.*

“ Mr. Moore supported me through very tough times for me, when he had no obligation to do so. That's the way he was! (Of course, no one else was to know about it.) He taught me the meaning of separating business and family. He taught me knowledge is power....or the illusion of power. It was a distinct pleasure to know him.

My deepest sympathies to his wife and all the sibs, and the rest of his extended family.

“ I had the pleasure of knowing Mr. Moore the last 12 years as a work associate/customer. We spoke on the phone for years before I had the opportunity to finally meet him in person ... and then it was like meeting an old friend. He was always helpful, cheerful and made me laugh. I will truly miss him.

My heartfelt condolences go out to his entire family, both home and at Sun Process.
