Tribute Wall

JS

“ *There could have never been a better son, a better brother, or a better cousin. Your laughter your intelligence your funny jokes will be what we remember most you lived a great life however God wanted you sooner we never know what the master plan is but we do know that you are at peace we will miss you and always remember the good times that we had. Rest in peace my cousin we love you and you will always be in our hearts and our prayers.*
