My prayers are with Mrs Nwe and family. Boss will be remembered by his kindness, empathy and for his generosity to his home land. Pretty sure we called him boss, because he'd have trouble remembering names, so he'd just call you boss. We were blessed to work with amazing colleagues, who have become life long friends. Thank you for making the service available to those of us unable to attend. It would be standing room only if all who cared, was able to be with you. We will be in spirit. God bless you and bring you peace. Charlotte
