“ Nancy always had a friendly hello! We enjoyed conversations in the neighborhood and sought our her opinion on many occasions. She especially loved to talk about her grandchildren, and when we needed a photo for a neighborhood gift, her granddaughters were all smiles along with Nancy.

“ I remember many great conversations, good stories and laughs with Nancy. We held many of the same views. When we held our garden club's garage sale, she had her son-in-law bring over a small swivel rocker as a donation. She had read bedtime stories to her granddaughters. I bought it immediately! And cherish it still. I will miss the hand on the hip and the tilt of her head as she offered her insight to a subject. I'm so glad she was in my life.

“ *So sorry to hear of Nancy's passing. She and I had a great relationship while with the Village of Libertyville. She was efficient and protective of the Administrator's and Mayor's time, while I tried to stay away as much as possible - which she appreciated! Good times and memories. My sincere condolences to the family. Steve Magnusen, Indianapolis.*
