“ Nancy was our next-door neighbor and it took one meeting for my wife and I to know she was a great person. Her love of quilting became clear when, upon finding out I was a veteran, she gave me a beautiful quilt rich in red, white & blue patriotic designs. Her memory will not fade though we are heartbroken at her loss. Our sincerest sympathy to Nancy's family.

“ Nancy was always happy and excited to come into our quilt shop. Her enthusiasm for quilting was enjoyable to watch and she loved picking out just the right pattern for us to quilt her masterpieces with. She was a very special lady and we will miss her at Buttons and Bolts.

“ The service for Nancy was beautiful! She would have loved it. Caitlyn's guitar playing and singing was so special. Nancy talked about her gift for music often, even sent me a video of her playing. Her family meant the world to her. You all captured the essence of this special lady with the service. I will miss her so much!
