“ I am so sorry to hear this about Nancy. We were high school friends at CPHS and graduated together in the Class of 1963! She also was a good friend of Diane Buehler who lived across the road from Nancy's family. They rode horses all the time. I met Nancy through Diane and always thought she was the sweetest person. Thought of her for many years, but didn't know where she lived. Heaven gained an Angel with Nancy. Thank you for your high school friendship and condolences to Nancy's family. Sue Spencer Wille

“ Nancy was my friend and the best Duplicate partner. She will be missed greatly! I called her my 80 year old bridge bestie (even when she wasn't quite that age yet 😊). She referred to me as her young friend. We had good times in our shared passions of quilting and Bridge. We traveled to tournaments together- one time we came in first for the morning tournament, then got in a car accident at lunch and couldn't finish out out number 1 position for the day!! I'll be out of town for the funeral services but I sure am thinking of you all, and looking up at Nancy in Heaven. 💕 Athena
